

Family Life Education will be taught at Norton Elementary and Middle School beginning November 28, 2016. *Choosing the Best Way* will be presented to all students in 6th grade by Melanie Deel, Health Educator/LPN from Wise County Health Department.

Choosing the Best Way is an abstinence education program that strongly promotes abstinence as the best and healthiest choice, while also teaching students about goal-setting, healthy relationships, refusal skills, and character building. The curriculum is available for review upon request, including written and audio-visual educational materials used in the program. Parent/guardians may come in and review the material during regular school hours.

Parents and guardians have the right to excuse their child from all or part of the family life education instruction. If you wish for your child **NOT** to receive family life instruction, please complete the opt-out notice below. Opt-out forms should be returned no later than November 18, 2016.

Norton City Schools
