## School Meals at No Charge for All Children

Effective immediately, **Norton City Schools** will be serving meals at no charge to children 18 and under. The U.S. Department of Agriculture (USDA) has approved waivers for local school divisions and other federal meal program sponsors to implement the Summer Food Service Program to provide meals to children in the community free of charge through December 31, 2020. The waivers support access to nutritious meals while minimizing exposure to COVID-19. Although school meals will be provided free to all children, school funding depends on completed meals served.

Meals are available to all children including those learning in-person or virtually and regardless of race, color, national origin, sex, age or disability.

For information regarding meal distribution visit our schools' website at <https://www.nortoncityschools.org/>.
